

PARLIAMENT OF THE CZECH REPUBLIC
CHAMBER OF DEPUTIES

Dana Balcarová
Chairperson of the Committee on Environment

Sněmovní 4, 118 26 Prague 1

Dear Mrs. Bachus,

As a Chairperson of the Committee on Environment of the Chamber of Deputies, Parliament of the Czech Republic, I would like to offer my congratulations to Joe Biden on his victory in the 2020 US presidential election. This is a victory for democracy in the United States of America. I believe that the United States now has a president who will stand for the future generations' right to meet their own needs.

I am pleased that Joe Biden vowed to rejoin the Paris agreement "on day one" and restore the United States as a world leader in climate action. In my opinion, a true leader acknowledges the gravity of the global climate crisis.

I look forward to our cooperation in addressing the global climate crisis and putting both our countries on a path to achieve net-zero emissions by 2050.

Yours Sincerely,

Dana Balcarová
Chairperson of the Committee on Environment of the Chamber of Deputies, Parliament of the Czech Republic
